

R E M A R K S

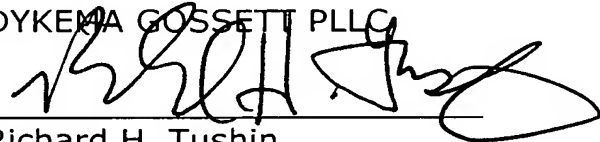

By this Amendment the specification has been corrected on page 4 and claim 4 has been revised. Entry is requested.

With respect to the specie election requirements set forth in the outstanding Office Action, the inventors (1) elect ethylacetate or hexane as the non-polar organic solvent (ethylacetate if only one solvent must be selected), and (2) claims 16 and 17.

Respectfully submitted,

DYKEMA GOSSETT PLLC
